HUNTER LEMKY

November 5, 2008 - April 8th, 2026

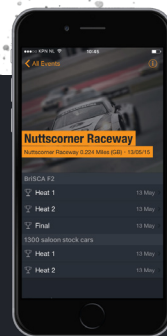

Hunter brought light and laughter wherever he went, with a flicker of his blue eyes and long lashes. Known for his kind heart, warm smirky smile, and easygoing nature, he had a way of making others feel welcome and valued. Hunter was deeply loved by his family and surrounded by friends who will forever cherish the memories they shared with him. Hunter enjoyed spending time with those he loved, whether that was driving around wasting gas and singing Taylor Swift; working on trucks and dirt bikes, quite possibly never finishing a job; gaming, snowboarding, playing pool,

or simply hanging out and joking with friends. On summer weekends he could be found at the dirt bike tracks, racing, riding pit bikes and hanging out. He had just bought a "new to him" dirt bike 4 days before his passing and was amped to take on the 2026 Moto Cross season. He was especially looking forward to seeing his race buds and living the track life. His spirit, generosity, and silly sense of humor left a lasting impression on everyone who knew him, and even those that didn't.
